VIOLIN/VIOLA RACK ASSEMBLY INSTRUCTIONS

The VIOLIN/VIOLA RACK consists of the following parts:

- 1 Pair of ends (Triangular Pieces)**
- 1 Bottom Trough (Square Edge/ with Dowels)**
- 1 Top Trough (Rounded Edge/with Dowels)**
- 1 Bottom Rail**
- 1 Top Rail (Scrolled Edge/with Name Plate)**

The Ends are numbered (Right End--2, 4, 6, 8 and Left End--1, 3, 5, 7)

The Bottom and Top Trough and Bottom and Top Rail are numbered on the Ends with numbers corresponding to the numbers on the Ends where they are to be screwed together. The Hardware (Casters and Screws) are in the package containing the Troughs and Rails.

- 1. Begin by screwing the Bottom Trough (Numbered 1 and 2) to the corresponding numbers in the Ends. Use the 3" Screws and Washers.**
- 2. Next screw the Top Trough (Numbered 3 and 4) to the Ends. Use the 1 3/4" Screws and Washers.**
- 3. Screw the Bottom Rail (5 and 6) to the Ends.**
- 4. Screw the Top Rail to the Ends.**
- 5. Push Caster Stems into Sockets.**

Some realignment of the prebored holes may be necessary if the Assembly Holes do not match up exactly. Use Hand Drill and 3/16" Bit to adjust Pilot Hole.

If the Numbers for Assembly were omitted at the factory, proceed with assembly by description of the parts as in the instructions.
